## How it Will Work

- 🎨 Entrants need to create and share an original design using only one layer
- 🔗 Entrants must submit their designs on social media or [forum.sketch.com](https://forum.sketch.com) by sharing a public link to their Workspace file
- 💡 Files must have 'Can Download and Inspect' selected in their document share settings
- # In addition, entrants must use the **#SketchDesignChallenge** hashtag to be counted

## How to Enter

Share your entry link on social media (Twitter, Instagram, LinkedIn) or in our community forum ([forum.sketch.com](https://forum.sketch.com)), and use the **#SketchDesignChallenge** hashtag.

You are allowed more than one entry if they are different designs.

Entries must contain **one** Artboard that contains **one** layer.

- Combined shapes should be flattened to a single vector layer.
- Multiple fills, borders, shadows, and other layer effects are allowed and encouraged.
- Bitmap images and image fills are **not** allowed. Sorry — that would make things too easy.
- The Artboard can have a background color.

## The Do Nots

- Do not submit a single image as an entry — we need to make sure all rules are met.
- Do not submit designs that are direct copies of other tutorials or designs — it must be original!
- Do not submit a private link as we'll be unable to review these.
- Do not submit a Mac app file — this should be shared as a link from your Workspace.
- Do not submit design files from other design tools.

## Our Review Process

We're excited to partner with designer **Marc Edwards** to help review and select winners! One submissions are closed, entries will be shared with Marc, who will help us evaluate submissions based on:

- If rules are met
- Technical execution
- Level of detail
- Overall visual appeal

Upon review and winner selection, winners will be messaged privately to gather shipping information for prizes.

Side note

😊 But remember, despite these guidelines, this challenge is meant to be fun!

# Terms & Conditions
